RE: 2011 YEAR-END PAY-OUTS APPLICATIONS REMINDER (INDIVIDUAL OR SCHEDULE)

The closing date for the year end payouts submissions has been extended to Friday, 18 November 2011. It is mandatory for employers who have already registered and/or used the online system to submit applications through the online e-Business Solution. Employers, who are yet to register on the online system, are encouraged to do so as this allows for faster processing and minimises human error. Online submissions can be accessed by logging on to www.nbcrfi.org.za

Late applications run the risk of not being processed for payment. Should you require any assistance please do not hesitate to contact your designated agent or regional office

Yours Sincerely,

Joe Letswalo
