CIRCULAR TO THE INDUSTRY

We are pleased to announce the official launch of the new online exemption system. Employers can submit exemption applications through the online platform.

Employers must first register on the system in order to upload the manual exemption application form and supporting documents or complete the form online and upload all supporting documents. A user guide is provided to help navigate the system. The link can be accessed on the Council's website: [click here](#).

The council will gradually phase out the manual submission and processing of exemption and appeal applications, and employers are encouraged to convert to electronic submissions.

For support and information, please contact your designated Agent or email exemption@nbcrfli.co.za.

Yours Sincerely

Musa Ndlovu

National Secretary
