COMMUNICATION IN RESPECT OF ACCESS TO THE DISPUTE RESOLUTION PROCESSES OF THE NATIONAL BARGAINING COUNCIL FOR THE ROAD FREIGHT AND LOGISTICS INDUSTRY

1. Subsequent to the CCMA Directive issued on the **8th May 2020**, the NBCRFLI is in the process of adopting the Directive in order to be aligned with NBCRFLI's environment as practical as possible.
2. The NBCRFLI is currently preparing its facilities in compliance with Regulations issued in terms of section 27(2) of the Disaster Management Act 57 of 2002 prior to the implementation of the CCMA Directive.
3. Once the NBCRFLI, facilities are ready for the users, a further communication will be issued to the industry in compliance with all Directives as issued by the CCMA.

I hope the above communication will assist all NBCRFLI users to understand our current status of operation in compliance with Lockdown Level 4 requirements.

Warm regards
