Circular to all Employers in the Road Freight & Logistics Industry

Re: DISCONTINUATION OF NBCRFLI PAYCARD

This is a notification to all Road Freight and Logistics Industry employers and their respective employee's that the National Bargaining Council for the Road Freight and Logistics Industry (NBCRFLI) will discontinue the use of the NBCRFLI Paycard Solution as a method of payment with effect from **01 July 2022**.

We would like to remind employers that banking details of foreign nationals who have opened bank accounts in the Republic of South Africa (RSA) are now being verified. This verification only applies where the employee's valid Passport or foreign ID was used to open the bank account. New card requests will not be allowed for the NBCRFLI Paycard Solution from 01 March 2022.

In order to ensure timeous payments, employers are urged to finalise updating valid RSA bank account details for all industry employees in possession of the NBCRFLI Paycard Solution on Council's Online System before the 01 July 2022. This will follow the normal verification process. Should the verification be successful payment will be made to the bank account.

Any queries pertaining to this matter can be directed to paycard@nbcrlfi.co.za.

Yours Faithfully

National Secretary
