CIRCULAR TO THE INDUSTRY

RE: VOOMA NATIONWIDE MASS VACCINATION CAMPAIGN FOR COVID-19

President Cyril Ramaphosa has recently announced a nationwide Vooma Vaccination Campaign for all South Africans and those who reside in this country. This initiative is giving an opportunity to all who have yet to get vaccinated for COVID-19 to do so in order to protect themselves and their loved ones against the pandemic.

The NBCRFLI would like to encourage its stakeholders who have yet to be vaccinated to use this opportunity to get vaccinated.

This mass vaccination drive takes place this weekend, 1st to 3rd October 2021 and all persons who meet the vaccination age groups who have not been vaccinated so far, are encouraged to heed government's plea to get vaccinated.
