Circular to the Industry

Re: Monthly Returns - Online Submission

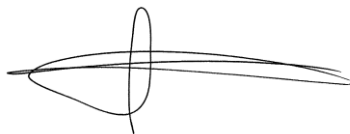

Sub-clause 53 (6) of the Main Collective Agreement provides that from the date of promulgation, all employers in the industry must submit monthly returns on Council's on-line system.

You are reminded that as of 01 July 2012 the Council will no longer accept txt files or manual returns and according to our records, you have yet to register/submit your monthly returns online.

It is imperative that you register online first in order to benefit from this system. You can register at www.nbcrfionline.org.za. On registration you will be issued with a username and a password.

For support and information, please contact your designated agent or email **onlinereturns@nbcrfi.co.za**.

Yours Sincerely

Joe Letswalo
National Secretary
