CIRCULAR TO THE INDUSTRY

Re: Implementation of a New Information Technology System

Please be advised that Council is in the process of revamping its information technology system. It is envisaged that the current system will be replaced by a new one within the next few months.

The purpose of this Circular is to inform employers and their employees in the industry that Council will, in the near future, distribute schedules requesting information pertaining to employers and employees. This Information will be used to update certain features on the new system.

Your support will be highly appreciated.

Yours Sincerely,
