**Circular to all Employers in the Road Freight & Logistics Industry**

**Re: Industry Provident Fund Shared Services**

The NBCRFLI recently acquired an approval from the Financial Services Board (FSB) to administer the industry provident fund. The section 13B approval allows the Council to play a more active role in provident fund management for the industry by allowing it more control over the collection and enforcement process. Provident Fund Board of Trustees and Council took resolutions to formalise a shared service model in administering the industry provident fund (RFLIPF),

With effect from 01 September 2011 Council will be responsible for the following:

- Collection of provident fund premiums.
- Enforcing non-compliance.
- Member contact management in all regions and branches.
- Front office administration.

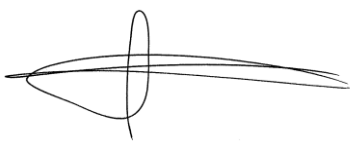

Member contributions pertaining to the Provident Fund (RFLIPF) must be made to:

<b>Bank Name:</b>	<b>First National Bank</b>
Account name:	Road Freight and Logistics Industry Provident Fund (RFLIPF)
Account number:	6218 324 2652
Branch code:	251 905

All documentation must be forwarded to your regional funds administration office for allocation. To simplify this process we urge employers to register and submit their monthly returns on the e-Business system [www.nbcrfionline.org.za](http://www.nbcrfionline.org.za).

Should you have any queries please direct them to your regional office or designated agent.

Yours Faithfully
