CIRCULAR TO THE INDUSTRY

Re: Promulgation and extension of the Main Collective Agreement.

The National Bargaining Council for the Road Freight and Logistics Industry (NBCRFLI) remains committed to keeping the industry up to date about the wage agreement promulgation and extension process.

The three-year wage agreement signed by parties to Council towards the end of 2018 was submitted to the Department of Labour for promulgation and extension to non-parties by the Minister of Labour.

We remain hopeful that the process will be concluded timeously. The current agreement comes to an end on 28 February 2019 and the intended date of effecting the new agreement is 1 March 2019.

We make the pledge as NBCRFLI that as soon as the Minister of Labour makes a determination, we will duly inform all stakeholders.

The Council extends its deepest appreciation on your continued patience regarding this matter.

Yours Sincerely

Musa Ndlovu
National Secretary
